

# ***YOUR INTEGRATED PROTECTOR***

*We proactively combine **Security, Fire Protection Access Control, and AI Smart Video Monitoring** into one seamless system that stops threats before they happen — delivering total peace of mind for businesses and high-net-worth families... often with lower insurance costs.*

*— All with One Trusted Partner for Over 50 years.*

## ***What's your Top Security Challenge?***

One of our Protection Specialists will deliver a complimentary assessment showing how Owen's intelligent, integrated systems deliver proactive defense you can trust.

**770-386-2846 | [OwenSecurity.com](https://OwenSecurity.com)**

Seamless Security, Powered  
by Intelligence — 24/7

## Security Monitoring

**24/7 Five Diamond Monitoring** State-of-the-art cellular monitoring — faster, more secure, no vulnerable phone lines.  
**Unmatched customer service when it matters most.**

## AI Smart Video Monitoring

Detects people, vehicles, animals, deliveries — eliminates false alerts from trees, bugs, weather. Only get notified for what you choose.

**Proactive deterrence reduces intended crime by up to 98%.**

## Fire Protection

**Full-Service Fire Safety You Can Trust** — Comprehensive fire alarm solutions — expert installation, 24/7 monitoring, and ongoing maintenance — so your property stays code-compliant with assets and inventory protected around the clock.

## Access Control

Advanced access control systems for commercial, small business, and industrial facilities— replacing traditional keys with precise, monitored entry management to control, restrict, and track access while reducing risks, liability, and key hassles.

**Defend Your Business  
or Home.**

**Intrusion • Fire • Flood • Unauthorized Access**  
Custom solutions tailored to your unique needs.
